

ANNUAL REPORT OF 2018 - 2019

On behalf of all the members of Siddharth Village School, I extend a warm and cordial welcome to all of you this evening.

I feel proud and privileged to present before you a brief report of the achievements of the school in the academic year 2018 – '19.

We svians believe that every individual has a lot of potential and that potential can help accomplish wonders. Svis environment provides abundant opportunities for self-exploration and talent display of each individual student to achieve excellence.

Life is like a river, never still, always moving, always alive and rich; this is the way we are motivated, this is the way we educate our students.

The nature rich, spacious green environment of the school creates a tranquil ambience that promotes the sense of freedom and joy in children. Our students are having an experiential learning through Projects, field trips, group discussion, nature walk, educational tours etc;

Teachers Empowerment Programme

Our teachers constantly strive to stay updated by attending workshops and various Training programmes.

They attended Capacity Building Programme conducted by CBSE. Classroom Management, Competency Building in Science and Maths, Life skills, Gender sensitivity, Child sexual abuse, Learning Difficulties, 21st century classroom and Health and Physical Education were the topics of the Training programme.

Every year our teachers go for the invigilation duty and evaluation of CBSE Board Examination.

We have also arranged a workshop for the parents of Class X which helped them aware of the scheme of education and the process of Board Exam.

Parent Teacher Meet

We firmly believe that positive communication between parents and teachers goes a long way in improving the efficacy of education and we ensure active participation of parents in the teaching learning process and discuss the progress of their wards and positive suggestions for overall development of school.

Asset and Olympiad

Our students have participated in Asset Exam and Olympiad and many secured gold, silver and bronze medal for their excellent performance.

Co-curricular Activities

By providing a conducive and encouraging environment, the students are mentored to participate in a variety of co-curricular activities like Art, Craft, Dance, Music, Pottery, Yoga and Computer which enables the students to grow in confidence, knowledge and enhance their all-round development.

Celebration of Events

World Environment Day was celebrated on 5th June . the theme of the day was Beat Plastic Pollution. The students and teachers of svis took up the responsibility of generating awareness beyond the school boundary in the neighbourhood.

We have also celebrated all the National festivals in our school.

Diwali Celebration

Our students not only gave an awareness about the eco-friendly Diwali, they came forward to help children who are deprived of their basic needs. They presented some programmes for the inmates of old age home which created an opportunity for them to free themselves from the clutches of their inhibitions and it was a blissful moment for them to be with our students.

Our students and staff voluntarily contributed monetary help and provided groceries for the victims of the flood.

Sports Meet

The Annual sports meet was conducted on 22nd December. Mr.VenkateshKumar inaugurated the Sports meet. (Neithal) Blue House won the winners trophy and (Paalai) Yellow House won the runners trophy.“As a whole, all our students are winners, no loser” in our school.

Projects

To foster the spirit of inquisitiveness and scientific temper students do projects.

This year Classes I to X did an integrated project. Students of class X performed a drama “ Julius Caesar”, a scene taken from Shakespeare play.

WWWDE

The world we want Design Education is an education that is universal in scope and local in application . Here the children learn how to design with experts from the best research and development centers for resilient life styles.

The Gaia Education, UK and UNESCO Global Action Program have granted certification for WORLD WE WANT DESIGN EDUCATION (WWWDE) organized at Siddharth village school for the students of class VIII. This project is based on four dimensions of sustainability- World view, Social, Economy and Ecological dimension.

Our students are given opportunities to bloom in goodness as perfectly gentle human beings with boundless opportunities, global outlook, disciplined freedom, refined culture, God fearing compassion, healthy friendship love of Nature and concern for mankind under the guidance of our Chairperson and correspondent without whom these would not have happened.

Thank you.
