ANNUAL REPORT 2020-21

VISION

“Creation of Ambience” for Exploration, Experience, Expression and Evolution of students, teachers and society at large and co-creation with the universe that spreads joy, happiness, wisdom and freedom.

MISSION

To bring about transformation for an individual student, teacher, family and the community at large and to render relevant services so as to support and trigger the independent learners/teachers with imbibed values like love, commitment, responsibility, knowledge and empowerment towards oneself, others and the society and to be goal-oriented, optimistic and inspiring role model for effecting a holistic development of an individual student and the Universe.

MOTTO

Explore, Experience, Express and Evolve.

Online Study during Covid19 :The nationwide lockdown following the COVID-19 pandemic has led to a burst of activity with online education. The COVID-19 has resulted in schools shut all across the world. Globally, over 1.2 billion children are out of the classroom. As a result, education has changed dramatically, with the distinctive rise of e-learning, whereby teaching is undertaken remotely and on digital platforms.

At SVIS, teachers are regularly in contact with the students and parents and taking the online classes regularly through Webex, Google Classrooms. Apart from this, students are given various other extracurricular activities such as drawing, cooking, singing, dance etc. on day-to-day basis which they can carry out at their home and to encourage them we put their videos on social media and websites

We believe that every Year brings changes with new innovations. As we are passing through an unprecedented crisis situation in the year 2020 we are confident that we will overcome all the odds by our strong will and ethics and pave the way for the betterment of the education fraternity and the society in general. Towards this, we have started our Online Classes from the March 2020 using various Innovative tools to facilitate learning by the students.

Training, Seminars, Orientation and Counseling:

Each academic year, trainings, seminars and orientation programmes are conducted for teachers and students with a dual focus to improve and effectively implement innovative ideas in teaching-learning practices as well as to take the students beyond their current level of learning.

A real teacher is one who realizes that he/she must always be a learner.
